

# PROJECT DEEN FOR TEENS APPEAL LETTER

As Salaamu Alaikum wa Rahmatullahi wa Barakatuhu

Amongst the major challenges facing the Ummah is the lack of cohesive beneficial education for our teens. The demise of after school madrassah for grade 7 to grade 12 learners due to tuition and extra mural commitments has led to a major spiritual deeni vacuum which has presented major challenges for Muslim and non Muslim families.

The well revered Ustadh; Khalifa; Appa; Mualim/ah and Madrassah teacher has been replaced by Instagram; YouTube ; Facebook and peer pressure into challenges that include drugs ; LGBTQ+ etc.

Madina Institute welcomes you to the Madina “Deen for Teens” Belgravia Estate Project.
